

# Quillen's Point Tennis Court Reservation System

## Tennis / Pickleball Court Reservation System Guidelines

- Reservations may be made by Quillen's Point owners only or their immediate family
- Owners may request accounts for immediate family members by emailing QP board
- Reservations can be made 1 week in advance by QP residents
- Reservations can NOT be made on the same day. This ensures that a player can check the reservation system to see if the courts are reserved, and if not, then play on a first come - first serve basis.
- Residents may reserve for 30, 60 or 90 minutes
- Residents may only reserve 3 slots per week
- Residents who No Show for their reservations forfeit after 15 minutes
- Late Grace period of 15 minute does NOT extend the playing time
- Walk-ons are welcome, but reservations take priority
